

YOUPLUS is a modern, digital and fast-growing insurance brand with offices in Europe, Switzerland, Czech Republic, Slovakia, Ireland, Austria, Norway and Liechtenstein. We have the agility of a startup and a passionate team with an entrepreneurial spirit to execute at scale. With over 280 employees and growing, we dream big and want to make our dreams reality.

Our mission is to put the “I” back into “Insurance”. We want to create easy to understand digital life insurance products that empower both insureds and their brokers to be in control of their insurance solutions. It feels energizing to work on something you care about, with people you enjoy spending time with and to have a tangible impact on an organization. That’s why we are committed to building a collaborative and inclusive workplace for the people making this happen, both physically and virtually.

Corporate Legal Counsel (80-100%)
at YOUPLUS (Pfäffikon (SZ) or Triesen and remote)

Come join us in our journey! We are seeking for a Corporate Legal Counsel to join our Legal team. We need to grow the legal function to meet the expanding needs of our Group & Companies. You will be advising and working collaboratively with multiple teams across the growing organization.

What it is like to work with YOUPLUS:

Here is what you will do day-to-day:

- Be responsible for Group’s & Legal entities Corporate Governance documentation and collaborate with team members
- Assist in transactional activities including M&A, majority and minority investments and joint ventures as well as restructurings
- Drive corporate law and corporate governance topics, including the drafting and/or review of reports, internal policies and guidelines from a group/entity perspective; support in the implementation of internal policies and provide training to relevant stakeholders as required.
- Provide legal advice and conduct legal research within the remit of the team, all with a view to understand legal implications of business initiatives and provide practical goal-oriented solutions to relevant stakeholders.
- Work with company General Counsel and lawyers across Europe with respect to general corporate matters, provide legal advice relating to corporate matters and subsidiary governance requirements.
- You work in cross-functional teams and in different projects
- Proactively identify key trends and developments in with focus on corporate law, social and governance aspects (Swiss, EU and International); prepare presentations and reports/updates to key stakeholders and foster know-how exchange within the legal function through practice groups and with external constituents.
- Provide general legal advice on an ad hoc basis to other Group functions within the Legal Team.
- You report to the Group General Counsel

This is what we are looking for:

- Admitted to the Bar in Switzerland/Liechtenstein with 3+ years of combined legal experience in a law firm and in an in-house legal department. Experience with an insurance company would be a plus.
- In-house experience would be strongly preferred.
- Attention to detail and the ability to follow through in a fast-paced environment;
- A team player mindset (no job is too big or too small);
- A collaborative approach and demonstrated ability to work well under pressure, cross-functionally and independently.
- Strong communicator, able to form effective working relationships with a variety of functions at all levels.
- Good conceptual, organizational and analytical skills
- Excellent oral and written skills in English and German

Have we aroused your interest?
