

YOUPLUS is a modern, digital and fast-growing insurance brand with offices in Europe, Switzerland, Norway and Liechtenstein. We have the agility of a startup and a passionate team with an entrepreneurial spirit to execute at scale. With over 280 employees and growing, we dream big and want to make our dreams reality.

Our mission is to put the “I” back into “Insurance”. We want to create easy to understand digital life insurance products that empower both insureds and their brokers to be in control of their insurance solutions. It feels energizing to work on something you care about, with people you enjoy spending time with and to have a tangible impact on an organization. That’s why we are committed to building a collaborative and inclusive workplace for the people making this happen, both physically and virtually.
